- Kent Police Department, Citizens Police Academy (March - June 2015)

Interests

I'm an avid amateur radio operator, lover of technology and have been an all-around computer enthusiast since building my first computer in 1982. I enjoy building computer system and experimenting with small microprocessor systems as the Raspberry PI and the Arduino.

In the past I was an Event/Wedding DJ for over 30 years and enjoy music and history.

When the weather turns cold and Christmas draws close, a certain twinkle can be noticed in my eye!
I'm a professional real-bearded Santa Claus with membership in The International Brotherhood of Real Bearded Santas. (IBRBS)

I've been featured in parades, publications, television commercials and in the hearts of children everywhere.
